RE: Docket 98P-0151/CP1

Why do we allow the cruelty and slaughter of injured and disabled farm animals? How are they injured or disabled? By transport, cruelty or what? Why are they abused and not worthy of medical care? Why do you allow evil people at the slaughterhouse to neglect, beat, starve, and drag? Are you people not aware animals have hearts, blood and a brain which means they suffer terribly? Where is my 28% tax going to?
